Who Is Entitled to Order?

Everyone is welcome to order. However, only registered players whose membership (or sponsor) payment has been received are eligible for the £120 free entitlement.

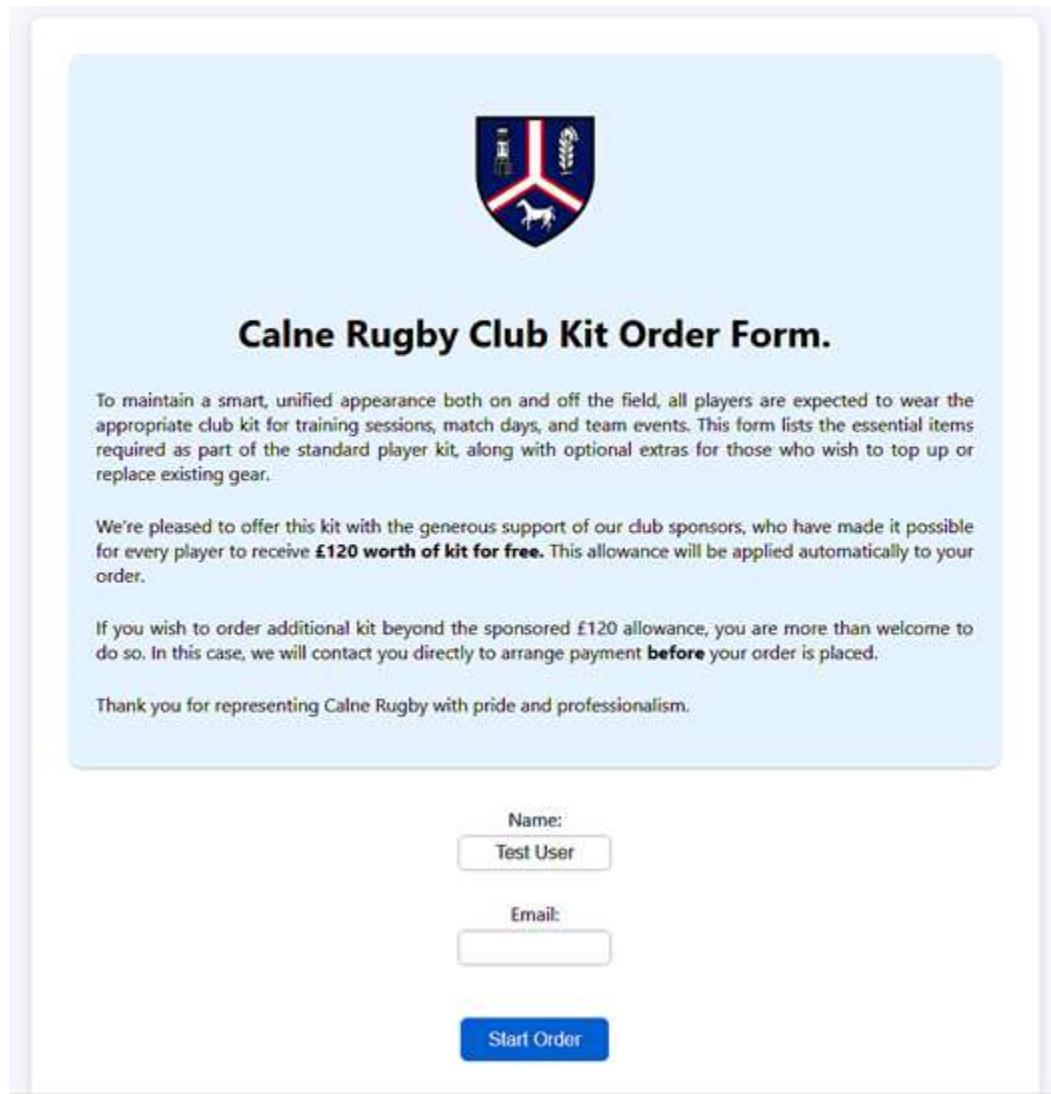

If a sponsor hasn't paid yet, it is the player's responsibility to chase - not the club's.

Enabling the Free Entitlement

After clicking “**Start Order**”, the system will automatically check your name against our list of paid members. If you are confirmed as a paid player (either by personal or sponsor payment), the **£120 free kit entitlement** will be **automatically applied** to your basket.

Each eligible player will receive a **personalised link** to the order form. This link pre-populates the form with the **name we have on record** for you.

Important: Please do **not** change the name in the form. If the name doesn't match our records, the system may not apply your free entitlement.

The screenshot shows a web-based kit ordering form for Calne Rugby Club. At the top center is the club's crest, which features a blue shield with a white horse and a red cross. Below the crest, the text "Calne Rugby Club Kit Order Form." is displayed in a bold, black, sans-serif font. A descriptive paragraph follows, stating: "To maintain a smart, unified appearance both on and off the field, all players are expected to wear the appropriate club kit for training sessions, match days, and team events. This form lists the essential items required as part of the standard player kit, along with optional extras for those who wish to top up or replace existing gear." Another paragraph below explains the £120 allowance: "We're pleased to offer this kit with the generous support of our club sponsors, who have made it possible for every player to receive **£120 worth of kit for free**. This allowance will be applied automatically to your order." A note about additional purchases is provided: "If you wish to order additional kit beyond the sponsored £120 allowance, you are more than welcome to do so. In this case, we will contact you directly to arrange payment **before** your order is placed." A message of thanks is at the bottom: "Thank you for representing Calne Rugby with pride and professionalism." The form itself includes fields for "Name:" (containing "Test User") and "Email:" (an empty input field). A prominent blue button at the bottom is labeled "Start Order".

One-Time Use of Free Entitlement

The **£120 free kit entitlement** is a **single-use allowance**. This means you can only redeem it **once** — so make sure to plan your order carefully.

If you only use part of the allowance (for example, £80), the remaining balance (in this case, £40) **cannot be used later**. The unused amount does **not carry over**, and you won't be able to place a second free order.

Tip: Be sure to include everything you need in one go to make the most of your entitlement.

How to Check if Your Entitlement Has Been Applied

You can confirm whether your **£120 club allowance** has been applied by looking at the basket section of the page:

- On **wide screens (e.g. desktop/laptop)**, the basket appears in the **top right corner**.
- On **narrow screens (e.g. mobile/tablet)**, the basket is displayed at the **bottom of the page**.

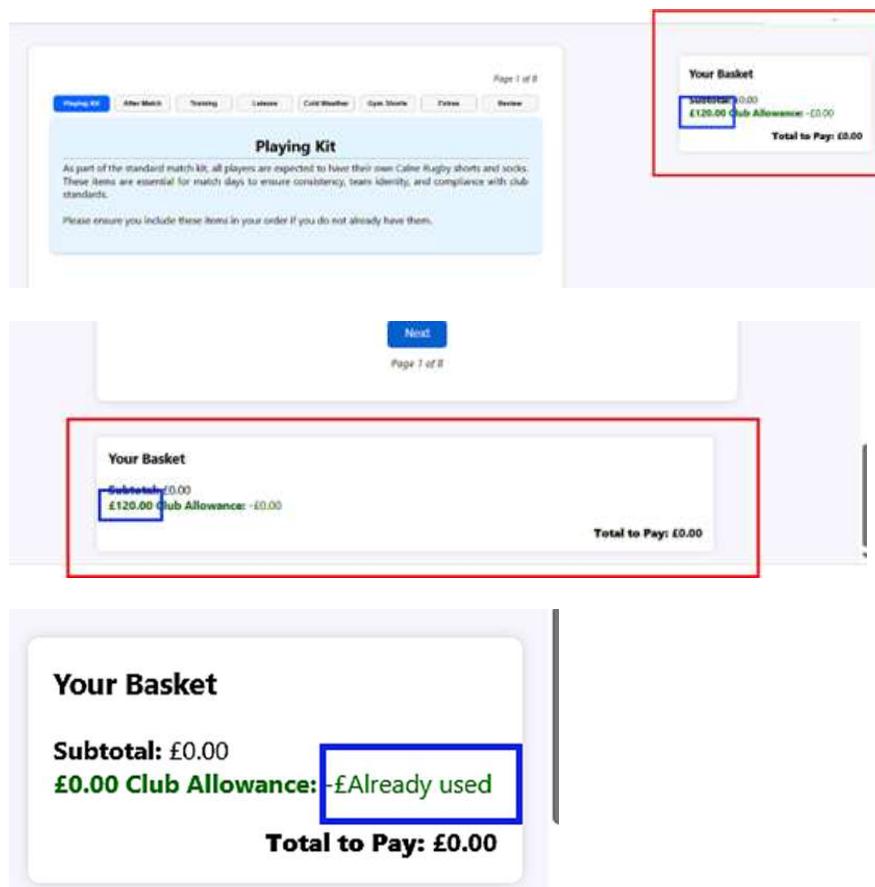

If You're Eligible:

You will see "**£120.00 Club Allowance**" highlighted in green text at the top of the basket (see blue box in the screenshots).

If You've Already Used Your Entitlement:

The basket will show "**£0.00 Club Allowance**" and the text "**Already used**" in green (also highlighted in the blue box in the screenshot above).

Reminder: The £120 allowance is single-use. Once used — whether fully or partially — it cannot be reclaimed.

Playing Kit
As part of the standard match kit, all players are expected to have their own Calne Rugby shorts and socks. These items are essential for match days to ensure consistency, team identity, and compliance with club standards.
Please ensure you include these items in your order if you do not already have them.

Navigating the Kit Order Sections

The kit order form is divided into **7 sections**, each representing a different category of kit, plus a **final Review section** where you can check your selections before submitting.

You can move between sections in two ways:

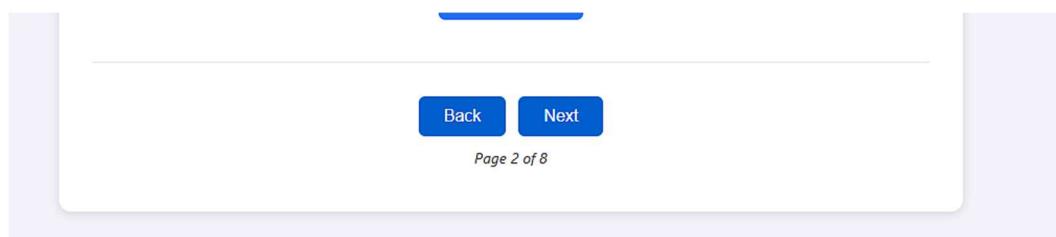

- **Tabs at the Top:** Click any of the labeled tabs (e.g., *Playing Kit*, *Training*, *Leisure*, etc.) to jump directly to a section.
- **Navigation Buttons:** Use the “Back” and “Next” buttons at the bottom of the page to step through the sections one at a time.

Each section groups similar items together, helping you find and select what you need more easily.

Tip: Don't forget to visit the **Review** section at the end to confirm your order and check your total before submitting.

Or

Personalisation

Some items in the kit range offer **custom personalisation** — such as initials, shirt number, or name.

If you select one of these items, a **pop-up window** will appear prompting you to enter the necessary details:

- **Initials** and/or **shirt number** may be **required**, depending on the item.
- **Name on shirt** is **optional**, but ideally should be your surname.
- **Offensive or inappropriate names will not be accepted.**

Once saved, your customisations will appear clearly in your:

- **Basket** (as shown in the screenshot)
- **Review section** at the end of the ordering process

Important: Double-check all personalised details before submitting your order. The information entered will be printed exactly as provided and cannot be changed once submitted.

Shirt Customisation

Shirt Number*

Please consider both your likely playing position when selecting a number for your own shirt.

Only one of each number is allowed on the pitch, and the player selected in that numbered position gets first refusal on wearing it.

e.g. 7

Display Name on Shirt

Specify what name, ideally your surname, you want on your shirt.

Offensive names will be not allowed

e.g. BROWN

Required Items

As part of the club's kit policy, **Calne RFC requires all players to own the following mandatory items:**

- **Playing shorts**
- **After match shirt**
- **Socks**

The order form will check for **shorts** and an **after match shirt** in your basket at the review stage. If either is missing, you'll be asked to confirm that you already own them before proceeding.

Important: While socks are also mandatory, **this requirement is not enforced in the form — as all members will be issued a new pair of socks this season**, regardless of their order.

This system helps ensure players are properly kitted out while reducing unnecessary repeat purchases.

Final Confirmation and Submitting Your Order

Once you've either:

- Added the required **playing shorts** and **after match shirt** to your basket,
or
- Confirmed that you already own them by ticking the checkboxes,

the “Submit Order” button will become available (as shown in the screenshot).

 **Important:** This is your **final chance** to review your order. Double-check:

- Sizes
- Personalisation (if any)
- Required items
- That everything you need is included

After clicking **Submit Order**:

- If your basket total is **fully covered** by your club allowance, your order will be submitted **immediately**.
- If any **additional payment is required**, you will be redirected to a **payment page** to complete your order.

Once submitted, no changes can be made — so please ensure your details are accurate.

The screenshot shows a web-based order review interface. At the top, there's a navigation bar with tabs: Playing Kit, After Match, Training, Leisure, Cold Weather, Gym Shorts, Extras, and Review. The 'Review' tab is active. Below the tabs, the page title is 'Review Your Order'. It displays the user's email (peter.brownlie@hotmail.co.uk) and name (Test User). A summary section shows a single item: '1 x Calne RFC Elite PRO-FIT Playing Shirt (4XL) - Name: BROWNLIE - Number: 3 - £37.50' with a 'Remove' link. The subtotal is £37.50, club allowance is £37.50, and the total to pay is £0.00. A yellow callout box highlights two required items: 'Playing Shorts' and 'Aftermatch Shirt', each with a checkbox and a confirmation message ('I confirm I already own one'). At the bottom, there are 'Back' and 'Submit Order' buttons, with the 'Submit Order' button being the primary focus.

Order Success & Confirmation

After successfully submitting your order — whether it required payment or not — you will see a screen that reads:

Order Submitted Successfully

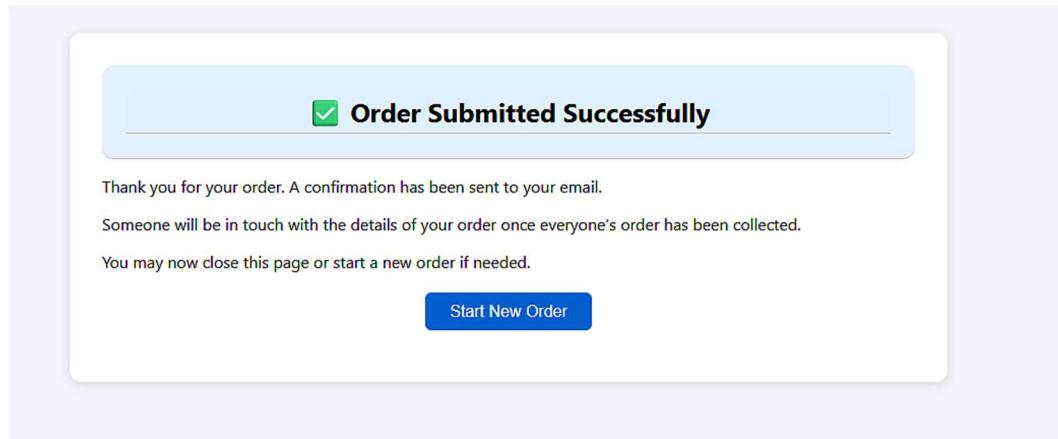

This confirms that:

- Your order has been submitted
- A **confirmation email** has been sent to the email address you entered
- A member of the club will be in touch once **all player orders have been collected**

 **Important:** Confirmation emails may sometimes go to your **junk or spam folder**, so please be sure to check there if you don't see it in your inbox.

You can now close the page or select "**Start New Order**" if you wish to place another.

 **If you do not see the confirmation screen**, your order may not have gone through. Please contact **Peter Brownlie** for help.
